ABOUT US

We're proud to be a privately held small distributor and reseller of many industrial components for the area located along the USA and Mexico Border.

Supernova Industrial Supply specializes on servicing Maquiladora plants by providing on time product delivery, competitive prices, and excellent customer service.

We have accomplished this only by many years of service dedicated to the maquiladora plants and understanding their real needs. We mean real service that will have a direct and positive effect on the different areas of the maquiladora such as purchasing, costs, production, maintenance, and others, who also just happen to be good people who like to make their job and make a difference in their work places.

OUR MISSION

Supernova Industrial Supply mission is to accurately assist the different areas of the maquiladora plants by supplying over 10,000 different products such as electronic components, automation processes, industrial heavy duty parts, utilities, manufacturing products, hardware equipment and many others.

We're proud to be affiliated with leading industrial vendors such as 3M, NUMATICS, BANNER, OMRON, TURCK, PHD, WESCO, and many more companies that have been in business for decades and can bring a lifetime of knowledge and product experience to you.

VISITS

Unlike other companies, Supernova Industrial Supply believes in personalized customer service by providing on-site assistance to our customers. We strongly believe in developing a successful outcome on each and every visit to our customers since customer service is one of our top priorities; thus, building and developing long-lasting relationships.

SUPPORT

We understand how difficult and stressful a situation may become when, unexpectedly, a manufacturing line breaks or must be stopped because a part must be replaced. Supernova Industrial Supply will provide you professional assistance.
